our valued-added services!

**M**ars Supply was founded 100 years ago in 1924 to serve the iron mining, wood and paper industries in Northern Minnesota. Today, we do business in five states and offer an expanded and unique blend of products and services unlike any other local independent industrial distributor in our market.

### Custom Bandsaw Blade Welding

Mars Supply is the only Lenox Certified Weld Center in the Twin Cities!

We custom weld Lenox blades to length, providing quick customer service and delivery. As a Lenox Certified Weld Center, Mars Supply is committed to delivering the highest quality performance bandsaw blades on the market. We carry thousands of feet of carbon steel, bi-metal and carbide-tipped coil stock so we are bound to have the blade material you need when you need it. We can weld up to 2" wide blades and can ship them the same day!

### Same-Day Delivery

Whether it's a boring bar for a job shop, first aid kits for a construction crew, a hose reel for a maintenance department, sanding belts for a foundry or a height gage for a metrology department, we know our customers need their supplies on time. We offer same-day delivery options for both the Twin Cities metro area and Duluth. **NOTE: Same day in the Twin Cities region by AM and PM Courier. Mars Express in Duluth only.**

### Test Tools and Guaranteed-Trial Offers

Leverage our application experts along with programs offered by many suppliers for test tools or guaranteed-trial offers. Our sales team is comprised of product experts and they know how difficult and frustrating some applications can be. If you would like to draw from our experience with cutting tools, gaging, hose, machining or safety, Mars Supply is the place to start.

### Mars Supply Rewards Program

As a valued customer of Mars Supply, we would like to invite you to enroll in our **Mars Supply Rewards Program**. We appreciate your loyalty and partnership and want to help you achieve your next destination, whether it be your choice of name-brand merchandise, event tickets and unique experiences, travel and vacation packages, and even more. ### Gas Monitor Rental Program

Partnering with **MSA Safety**, we rent, sell and service premium gas detection and monitoring systems, offering a large inventory of gas detection systems for industrial and mining industries. You can trust Mars Supply to calibrate and maintain your equipment with foremost quality and proficiency. Contact our trained gas detection specialist today and learn more about this value-added service.

### Sump Cleaner Rental Program

Partnering with **Master Fluid Solutions**, we now **rent** a high-suction sump vacuum with enough power to remove fluid and heavy sludge from CNC coolant/oil tanks. With our daily rental option, you can use the CECOR® Sump Shark® SE15-60PL when you need to clean out machines quickly. If you don't have the space or capabilities for maintaining your own sump cleaner, just rent one when you need it!

For just **\$75 per day\***, you can keep your sumps clean and odor-free. **\*NOTE:** If you are replacing your current coolant/oils with **Master Fluid Solutions** products, the sump cleaning service is **NO CHARGE** to assist with the transition.
