Cut-Resistant Kevlar®/Steel Winter  
Glove with PVC Palm

#SCXTAPVC

From our Emerald CX® cut-resistant series, these gloves are warm, cut-resistant and flexible. This 13-gauge string-knit glove features a blended Kevlar®/Steel outer—meaning unrivalled cut protection in a dexterous, comfortable glove. Lined in warm and comfortable acrylic terry, hands stay warm when working in cold conditions, without a loss in dexterity. Palms are coated in a crinkle-grip PVC that's specially formulated to stay flexible even in colder temperatures, for a grip that's outstanding, wet or dry.

## TESTIMONIAL

Technologist (Forest Feedstocks)

"They are incredibly comfortable to wear, very warm, and provide great protection from both the elements and injuries. They have excellent grip in wet conditions. Touchscreen capability: excellent! They worked very well with the iPad I tested and I was even able to use my tiny iPhone with them. The grip was just right and sliding across the screen was seamless."

2800 grams of cut protection.
