

3M Scotch-Brite™ 7447 PRO and 7448 PRO help you get the job done faster!

Breakthrough fiber coating technology allows Scotch-Brite™ 7447/7448 PRO to cut faster and produce a more consistent scratch reducing the time it takes to scuff, prep or finish parts. Ideal for prepping surfaces for paint and primer, general scuffing and hand blending.

Improved Productivity

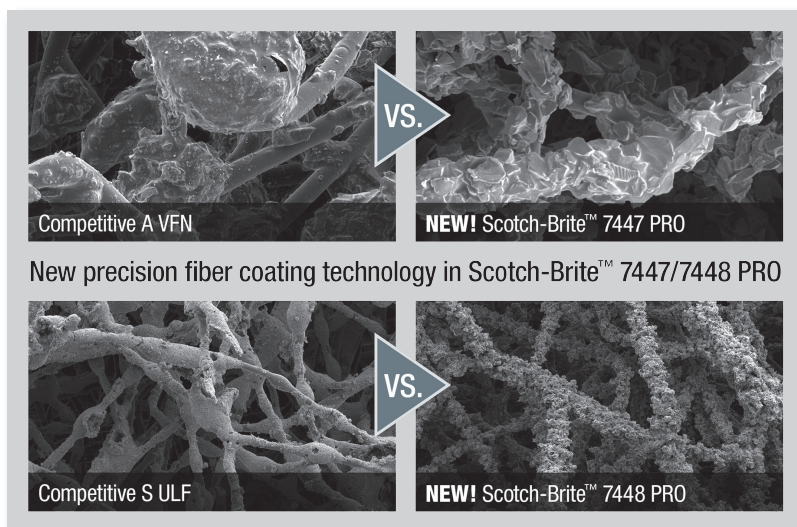

Durable, precision coated fibers provide fast cut and consistent finishes. Engineered to minimize loading.

Higher Flexibility

Strong and durable non-woven construction, is flexible enough for contoured parts and hard-to-reach areas.

Convenience and Versatility

Ideal for prepping surfaces for paint and primer, general scuffing and hand blending. Available in discs, sheets, rolls and hand pads.

7447 PRO
