

4" x 6" Direct Thermal Labels

Rounded Corners • Perforated • White Color

- **Easy Tear-Off Perforation:** Perforated lines between labels allow for quick and clean separation, making it simple to peel individual labels without tearing or wasting material.
- **Strong Permanent Adhesive:** Features a high-quality, super self-adhesive backing that securely attaches to packaging surfaces like boxes, envelopes, and poly mailers, even in challenging conditions.
- **Durability and Resistance:** Waterproof, oil-proof, scratch-resistant, and fade-resistant, ensuring labels withstand environmental elements like water, dirt, grease, and scratches for reliable long-term use.
- **Standard 4" x 6" Size:** Industry-standard dimensions are ideal for shipping, providing ample space for addresses, barcodes, tracking numbers, and other essential information accepted by major carriers like USPS, UPS, and FedEx.
- **Compatibility with Thermal Printers:** Designed for direct thermal printing without ink or ribbons, compatible with popular models from brands like Zebra, Rollo, and MUNBYN for clear, scannable barcodes and text.
- **Versatile for Shipping Applications:** Perfect for e-commerce, mailing, inventory tracking, and barcode labeling on packages, envelopes, and parcels, streamlining processes for businesses and carriers.
