## Mars Supply Rewards Program 2026

As a valued customer of Mars Supply, we would like to invite you to enroll in our **Mars Supply Rewards Program**. We appreciate your loyalty and partnership and want to help you achieve your next destination, whether it be your choice of name-brand merchandise, event tickets and unique experiences, travel and vacation packages, and even more.

### HOW YOU CAN ENROLL

It's simple! To start the process, please complete a short online form requesting your **Mars Supply Rewards Program** account. Once your account is setup, you'll receive an email to activate your **Mars Supply Rewards Program** account containing your username and temporary password. Accept the terms and conditions, and your account is activated!

### HOW YOU CAN EARN REWARDS

There is no minimum goal for 2026. However, our growth goal is still in place. All growth goals will be set 16% above the previous years sales. When you meet and exceed your growth goal, you will earn 4 points for every \$1 invoiced! Customers must be in good credit standing with Mars Supply for points to be issued each month. You'll earn points for all invoiced items purchased from Mars Supply. Below is the point structure:

- *Earn one point for every \$1 invoiced.*
- *There is no minimum goal. You keep your points no matter what.*
- *All earned points rollover from year-to-year and are redeemable at any time.*
- *Four points per dollar for purchases over your growth goal.*
- *You can also earn bonus points by participating in promotions from our program sponsors as well as "Learn & Earn" opportunities.*

### HOW TO TRACK YOUR EARNINGS

You can visit the **Mars Supply Rewards Program** site at any time to view your annual purchase goal, progress to goal, current point balance, and rewards that are available to be redeemed.
